Dear Sir,  
As you will have seen from the  
enclosed report, I have been  
looking at the possibility of  
advertising in the local press.  
I have found that it is not  
possible to advertise in the  
local press at a cost of less  
than £100 per week.

The enclosed report also  
contains details of the  
costs involved in advertising  
in the local press and the  
amount of advertising space  
available.

You will also see from the  
report that the cost of  
advertising in the local press  
is very high.
