## ***Bringing Vision to Communities: MAAWS Hosts 7th Free Eye Care and Cataract Surgery Camp***

**February 18, 2025, Noakhali**

**MAAWS** hosted this important camp to provide critical eye care services to underserved communities, ensuring equitable access to quality healthcare and promoting improved eye health outcomes. During the camp, a total of 175 individuals were registered, with their health information documented to ensure continuity of care. Among them, 147 patients underwent comprehensive eye examinations, received prescribed medications, and were provided with corrective power charts. Following thorough assessments, 32 patients were identified as needing cataract surgery and were referred to Bangladesh Jatiya Andha Kalyan Samity Hospital for surgical intervention.
